Funcom Cookie Policy

https://www.funcom.com/cookie-policy

LAST MODIFIED: 5/29/2018

This Cookie Policy describes the different categories of cookies and similar technologies that may be applied on websites owned and operated by Funcom Oslo AS and affiliates ("**Funcom**") This policy is subject to change.

1. WHAT'S A COOKIE?

Cookies may be used to enable the functionality and services provided by our Sites, and may be used for analytics and advertising purposes as described below. Cookies are a standard feature of websites that allow us to store small amounts of data on your computer about your visit to our Sites. You may choose whether to accept cookies by changing the settings on your browser or choosing the opt out provided below. However, if you disable cookies on our Sites, your experience on the Sites may be diminished and some features may not work as intended.

2. WHAT COOKIES DOES FUNCOM USE?

Essential/Necessary Cookies. Essential cookies enable you to navigate the Site and to use its services and features. Without these cookies, the Site will not perform as smoothly for you as we would like it to and we may not be able to provide the Site or certain services or features. These Cookies are necessary. The opt out cookie is an essential/necessary cookie. **If you block or delete the opt out cookie(s) for one or more of our Sites, the opt out functionality will not work.**

Preference Cookies. Preference cookies collect information about your choices and preferences, and allow us to remember language or other local settings and customize the Site accordingly.

Analytics Cookies. We may use analytics cookies to collect information about your use of the Site, Analyze site traffic and use the information to improve the way it works. We do not examine this information for individually identifying information.

Social Media Cookies. Social media cookies collect information about social media usage. These cookies may be stored and accessed by Funcom and/or third party websites that provide social media services. Facebook is an example of a site that uses social media cookies.

Advertising Cookies. Advertising cookies are set to display targeted promotions or advertisements based upon your interests on the Site or to manage our advertising. These cookies collect information about your activities on this and other sites to provide you targeted advertising.

Third Party/Embedded Cookies. Some embedded content or frames from third party websites are displayed to enhance your experience. These third party websites place cookies to collect information about use of such third party website or display targeted promotions or advertising. These cookies may be stored and accessed by those third party websites that provide services and we do not have direct control over the information that is collected by these cookies.

3. OPT OUT

You can also adjust the settings on your browser to refuse or accept cookies. Information about the procedure to follow in order to enable or disable cookies can be found on your Internet browser provider's website via your help screen. Some features and content on our sites will become unavailable and/or will not work properly if you disable cookies.

You may wish to refer to the following websites for information on commonly used browsers and other possible opt-out mechanisms:
