

The Secret World Fan site Kit Licensing

The following represents an agreement between Funcom Oslo AS, a Norwegian company having a primary address of Kirkegata 15, Oslo Norway N-0153, ("Funcom"), and you, relating to the use of the materials in "The Secret World" Fan site Kit ("Fan site Kit License"). Your use of the materials contained in the Secret World Fan site Kit indicates your agreement to be bound by the terms and conditions contained herein.

All materials contained in this "Fan site Kit," including, but not limited to, any electronic files, code, audio or images ("Fan site Materials"), are the copyrighted property of Funcom Oslo AS, who grants you a personal, non-exclusive, non-transferable, non-assignable, royalty-free license to display the Fan site Materials for your personal, non-commercial use, provided, however, that you must include or maintain all copyright, trademark and other notices contained in, or associated with, the Fan site Materials. You acknowledge and agree that you may not sublicense, assign or otherwise transfer this license or the Fan site Materials, and that no title to the Fan site Materials has been or will be transferred to you from Funcom or anyone else. You also agree that you will not alter, disassemble, decompile, reverse-engineer or otherwise modify the Fan site Materials, except as needed to create a "fan site" based upon The Secret World.

This license will continue until terminated. Funcom reserves the right to revoke this limited-use license at any time, for any reason, and at their sole discretion. You may not use the Fan site Materials in association with, or on websites that feature, defamatory, pornographic, or inflammatory content, including, but not limited to, sites selling currency or accounts, hacks, mods, cheats for any other content Funcom finds objectionable or unlawful.

You hereby agree that Funcom would be irreparably damaged if the terms of this Fan site Kit License were not specifically enforced, and therefore you agree that Funcom shall be entitled, without bond, other security, or proof of damages, to appropriate equitable remedies with respect to breaches of this Fan site Kit License Agreement, in addition to such other remedies as Funcom may otherwise have available to it under applicable laws. In the event any litigation is brought by either party in connection with this Fansite Kit License, the prevailing party in such litigation shall be entitled to recover from the other party all the costs, attorneys' fees and other expenses incurred by such prevailing party in the litigation.

In the event that any provision of this Fan site Kit License Agreement shall be held by a court or other tribunal of competent jurisdiction to be unenforceable, such provision will be enforced to the maximum extent permissible and the remaining portions of this Fan site Kit License Agreement shall remain in full force and effect. This Fan site Kit License shall be deemed to have been made and executed in the State of New York, and any dispute arising hereunder shall be resolved in accordance with the law of New York. This Fan site Kit License may be amended, altered or modified only by an instrument in writing, specifying such amendment, alteration or modification, executed by both parties. This Fan site Kit License Agreement constitutes and contains the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior oral or written agreements.
